

Santa's Workshop

Fundraising Opportunity

for Non-Profit Groups

The City of Gatesville is offering non-profit groups the opportunity to reserve one night for your group to man an area at Faunt Le Roy Park during the annual Christmas in the Park lighted display. The event is scheduled for December 10th thru January 1 from dusk to 11pm. Near the entrance of the park, the City will set up a concession stand and an enclosed, decorated area with a chair for a Santa to be seated. Groups may bring food and drink or other items to sell at the concession stand. There will be electricity, parking, and picnic tables available in this area. If you would like to have a Santa available for pictures or visits, you will have access to the space but will need to provide your own Santa. We encourage groups to be creative with your use of the space on your night. You may sell items or ask for donations. We would love to see carolers or a live nativity.

Please contact Cheri Shepherd at (254) 499-0102 for a list of available dates or to ask questions. Once you have confirmed your date, please complete and return the form below so that we may help you promote your group's activities.
